NEWS RELEASE

Wingrave Achieves Surrey Gold Level Accreditation for its Cat-Friendly Facilities

Wingrave Veterinary Surgery in Sutton has become one of the only gold accredited 'Cat Friendly' surgeries in Surrey. The International Society for Feline Medicine [ISFM] has awarded Wingrave its highest gold level status following the practice's investment in creating a unique surgery environment. Wingrave has designed and developed separate cat and dog waiting rooms, consulting rooms and wards, ensuring a relaxing experience for all clients and their pets.

The Cat-Friendly Clinic Accreditation Scheme requires surgeries to demonstrate their dedication to delivering an exceptional standard of facilities and equipment especially designed for cats. Surgery staff must also demonstrate the specialist knowledge and expertise to handle and care for cats.

Wingrave is committed to ensuring all its clients and pets requirements are met when visiting its surgeries. It is this dedication and specialist understanding that led Wingrave to develop its specialist feline care packages and health care facilities.

Nic Dodds, Owner of Wingrave Veterinary Surgeries commented, "As an RCVS accredited practice, we aim to make sure all our clients and their pets feel as comfortable as possible when they visit us. We are delighted to have been awarded the Gold Cat-Friendly Clinic status which recognises the hard work our team have invested and sets us apart from other surgeries in Surrey. The ability to offer our unique separate cat and dog facilities, combined with this accreditation, provides peace of mind for our clients knowing their cat is in expert hands and a stress-free environment. Anything we can do to relieve the anxiety of a visit to the vet is important, so we can concentrate on the reason for the visit and keeping pets healthy and happy."

Editors Notes:

About Wingrave Vets

Wingrave Veterinary Surgeries is a privately-owned veterinary practice that has been serving the Sutton, Chipstead and Epsom areas for over 50 years. We pride ourselves on always being friendly and welcoming, knowing that our clients trust us to care for their pets as if they were our own.

We are committed to offering our clients and their pets five-star treatment, service and care - 24 hours a day, 365 days per year. We are accredited by the Royal College of Veterinary Surgeons (RCVS), and our Sutton surgery has achieved Gold level accreditation from the International Society of Feline Medicine (ISFM) for its cat friendly status.

We are proud to offer our customers long opening hours and appointment times at all of our surgeries to ensure we are here to help you when you need us. Outside of surgery hours you will be referred to a veterinary clinic staffed by dedicated out-of-hours vets and nurses.

About ISFM

ISFM is the International Society of Feline Medicine, the veterinary division of International Cat Care. At ISFM we aim to provide a worldwide resource for veterinarians on feline medicine and surgery. Additionally, we provide information on the wellbeing of the whole cat and resources practitioners can use with owners beyond the consulting room to help build the bond with feline clients.
